SKILLS

- **Languages**: Python, JavaScript, HTML, CSS, SQL, PHP
- **Tools/Platforms:** Git, GitHub, VS Code, Linux, PostgreSQL , MongoDB, Postman ,AWS
- **Soft Skills:** Leadership, Problem solving, Effective Communication, Attention to Detail
- **Frameworks:** React.js, Node.js, Bootstrap, Tailwind CSS , Express.js, Laravel

PROJECTS

Disaster-X Reuniting Families | GIT Nov' 25

- Developed a pixel-perfect, responsive UI matching exact design specs with optimized, clean code.
- Designed and implemented queuing models to manage API integration and flow of report.
- Delivered a clean, fully responsive interface with optimized code quality and improved design-to-development accuracy.

Tech : HTML, CSS, PHP, SQL

Civic Crowdsourced Complaint Register Website | GIT Sep' 25

- Engineered a full-stack web application enabling users to report and track community issues in real-time, enhancing civic engagement.
- Implemented key features including user authentication, RESTful APIs, and AWS for cloud deployment to ensure scalability and reliability.
- Achieved a seamless user experience with faster itinerary creation and smooth cross-device performance.

Tech : React.js, Node.js, HTML, CSS

INTERNSHIP

Skynetic Solution Private Limited May' 25

Full Stack Web Development Intern

- Architected and engineered robust server-side components and data persistence layers to support core application features.
- Built and integrated a set of structured API endpoints to facilitate seamless data exchange and operations between the user interface and the server.
- Established a robust foundation for application functionality by implementing core processing rules and data handling procedures.

TechStack Used : FileZilla, CodeIgniter.

CERTIFICATES

Complete Full Stack Development | Link Nov' 25
Cloud Computing | Link Oct' 25
Mastering Data Structures and Algorithms | Link Jun' 25
Responsive Web Design | Link Mar' 23

ACHIEVEMENTS

Participated in Smart India Hackathon- completed a 36-hour problem challenge and received cap. Sep' 25

Winner of Vision Venture Competition, @CPE CLUB. Mar'25

EDUCATION

Lovely Professional University Phagwara, Punjab
Bachelor of Technology | Computer Science and Engineering; CGPA: 7.30 Aug' 23 - Present

Narayana Junior College Kurnool, Andhra Pradesh
Intermediate(PCM); Percentage: 93.23 Jun' 22 - May' 23

Keshava Reddy English Medium School Kurnool, Andhra Pradesh
Matriculation; Percentage: 100 Jun' 20 - Jun' 21
